it's our 10th Anniversary

J. E. JAMERSON & SONS
Appomattox and Adjoining Counties:-

Dear Friends in Appomattox and Adjoining Counties:-

Friday, March 15, marks the 10th Anniversary of our firm, and we are taking this means of conveying to you our sincere and grateful thanks for the fine patronage you have give us during this short decade.

Our firm began business on March 15, 1947. Our first location was in quarters at the Lee Theatre Building in Appomattox. At that time we had only 900 square feet of floor space. In addition to the management, we had one full-time employee. However, from the start you were most gencrous in the amount of business you made possible for us, and it was not long befre we had to seek larger facilities.

In 1950, we moved to our present location on Route 460, where we have 6,000 square feet of floor space and 14 employees, we have been able to increase our line of building materials and general building supplies. During these ten years we have built approximately fifty homes and business places, and furnished meterials for a great number of building projects. All of this makes us very grateful to the many friends who have made our growth possible.

We are now able to serve you better than ever. In our firm, J. E. Jamerson has a record of 35 years experience in the trade. Bobby Jamerson serves as office manager and head bookeeper. Bill Jamerson is a graduate in Architecture at VPI, prepares and draws building plans and serves as job supervisor. We are very proud of the fine men who comprise our work force.

On this occasion of our Tenth Anniversary, we thank you and invite you to give us the privilege of serving you.

Very sincerely,
J. E. Jamerson & Sons
